and the Men Who Made it Possible*

HEROES Alongside Us

Foreword by Richie Moran

Eric F. Rieseberg

In high school Eric Rieseberg's parents were advised their son should pursue a trade rather than go to college. Eight years later at the age of 26 he was the youngest hospital CEO in the country... How, Eric sums it up in just one word... heroes!

His book "Heroes Alongside Us" is a tribute to the men who were the key to his and many others success in life. The book defines what success is, how to achieve it, and the rewards of that achievement. The book also outlines the characteristics of "heroes", how they became heroes, and how you can become a hero and mentor to those who need that guidance.

A must read for students, athletes, business people, both young and old and parents. Buy "Heroes Alongside Us" and "seek a hero and you'll navigate the stormy seas. Be a hero, and you will help someone up from the dirt- so THEY too can achieve success."
